POLADA?
Y--YES?
ARE YOU CRYING?
NO.
...
I'M SORRY, SOLILA.
YOU DON'T HAVE TO APOLOGIZE TO ME. I'M SCARED, TOO.
NO. I DO.
I'M SORRY. I DO.
WHAT FOR?
...

IT--IT WAS THE ONLY WAY.
THE ONLY WAY I COULD LEAVE THIS SCARY PLACE.
WHAT ARE YOU SAYING?
POLADA, ANSWER ME!
TELL ME YOU DIDN'T.
BY ZERTA-- TELL ME YOU DIDN'T!
...
TELL ME YOU--
THEY LET ME COME BACK TO SAY GOODBYE.
CLIK KLAK.

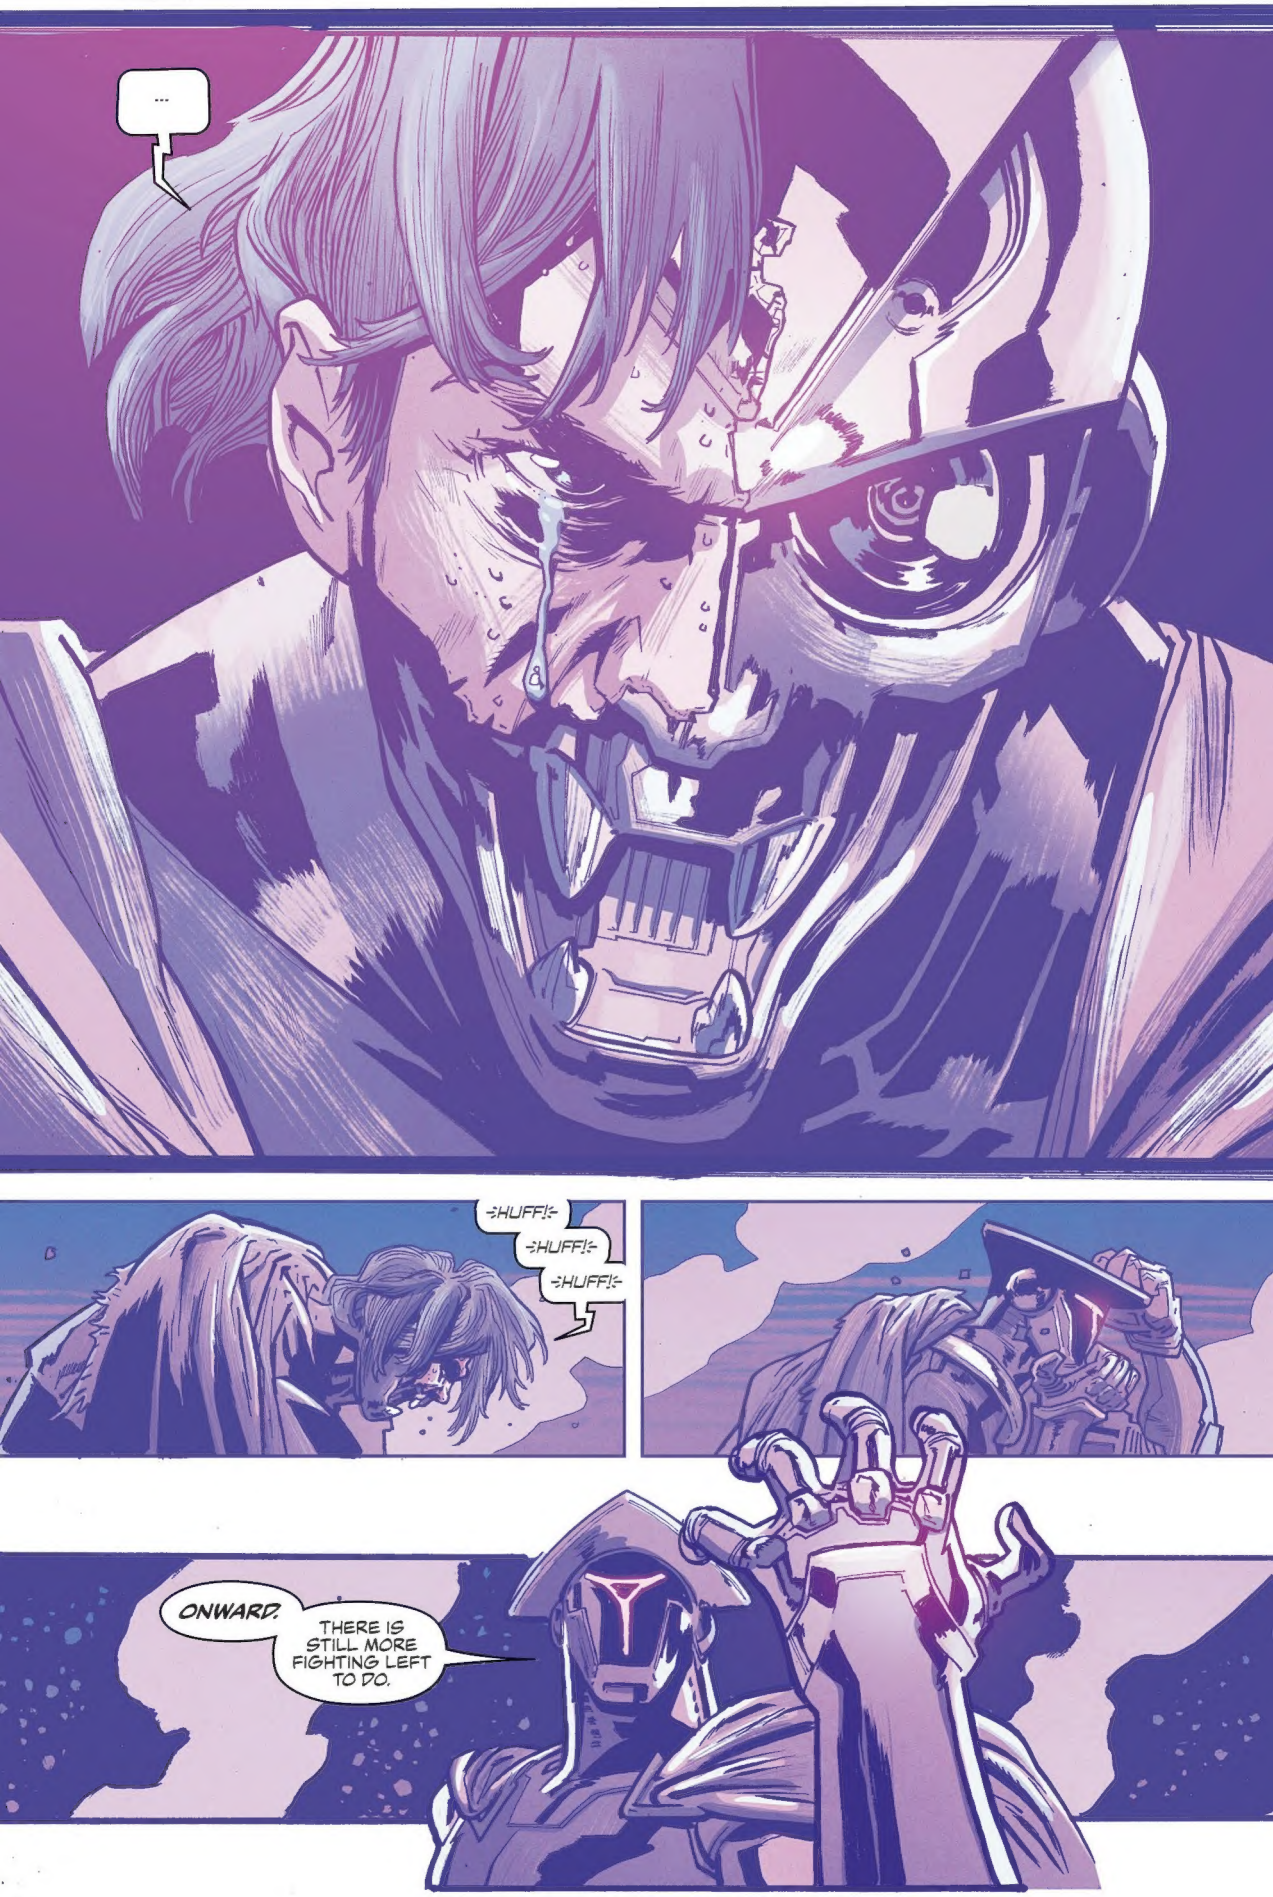
READY TO GO, CADET?

YOUR BROTHER'S GOING TO MAKE A FINE ADDITION TO THE HIGH GUARD. YOU SHOULD BE PROUD.
THERE'S STILL TIME TO JOIN HIM. ALL YOU HAVE TO DO IS PLEDGE YOUR LOYALTY.
I'M SORRY.

NO!
DON'T LEAVE ME!

POLADA, PLEASE!
DON'T LEAVE ME!

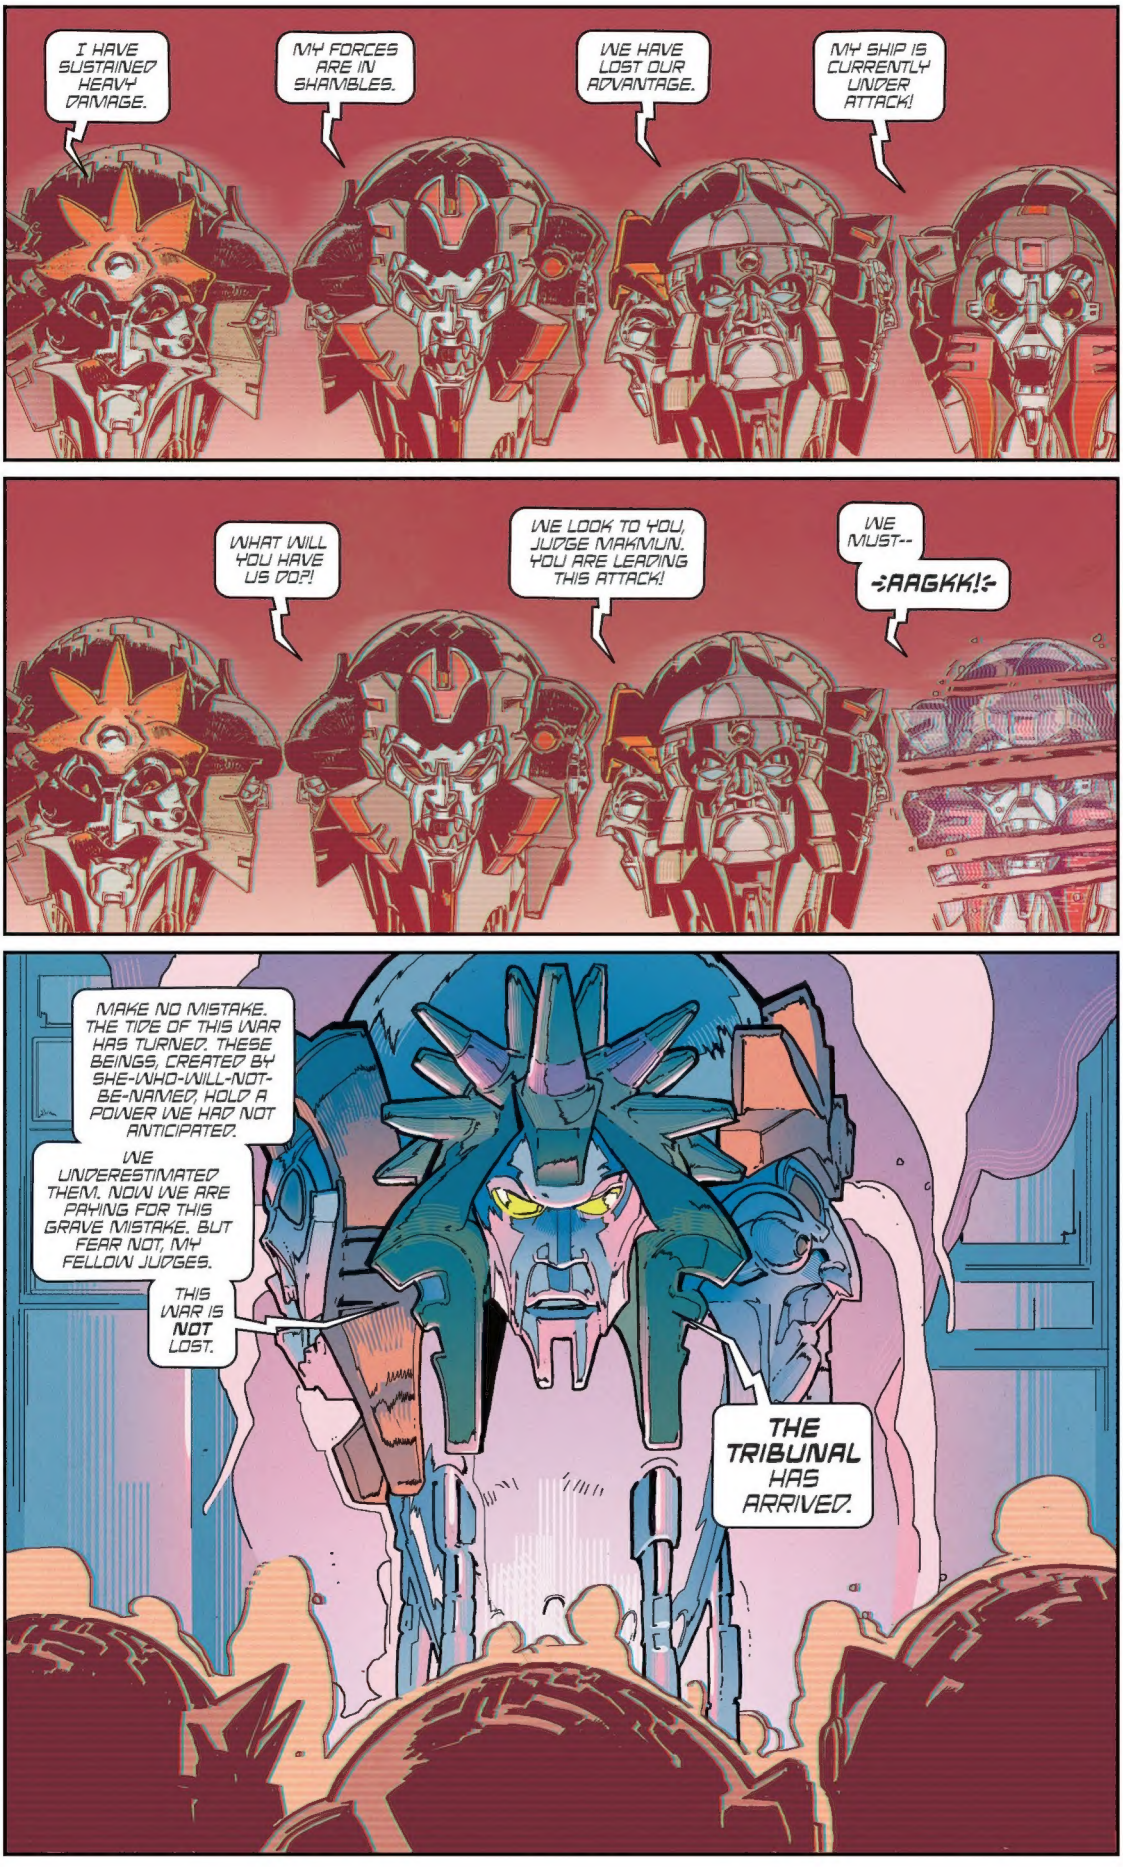
DON'T--!



...
÷HUFF!÷
÷HUFF!÷
÷HUFF!÷
ONWARD.
THERE IS STILL MORE FIGHTING LEFT TO DO.

AGORRIA.
SECTOR SEVEN IS CLEAR. MOBILIZE FORCES TO SECTORS NINE AND SEVENTEEN.
SCRAMBLE JUMP JETS TO SECTOR FIVE. RESISTANCE IS BUILDING UP THERE.
GROUND TROOPS ARE HOLDING BACK QUINTESSON FORCES IN THE CAPITAL, BUT WE COULD USE MORE TACTICAL SUPPORT.
DARAK? HOW ARE YOU?
FINE. OKAY. NOT GREAT.
I DIDN'T QUITE MAKE IT TO THE LAUNCHER. BUT I'M IN GOOD HANDS.

GRAND GENERAL DUKAN SENDS HIS BEST.
SIGNING OFF. GOTTA FOCUS ON THE BATTLE.
IT WILL BE AN HONOR TO DIE BY YOUR SIDE, NEPHEW!
THE HONOR WILL BE SURVIVING. RIGHT?
RIGHT?!
NEVER MIND.
THE BOOST FROM THE ENERGON WAS ALL WE NEEDED TO TURN THE TIDE IN THIS WAR.
PITY IT WEARS OFF SO SOON!



I HAVE SUSTAINED HEAVY DAMAGE.
MY FORCES ARE IN SHAMBLES.
WE HAVE LOST OUR ADVANTAGE.
MY SHIP IS CURRENTLY UNDER ATTACK!
WHAT WILL YOU HAVE US DO?!
WE LOOK TO YOU, JUDGE MAKMUN. YOU ARE LEADING THIS ATTACK!
WE MUST--
-:AAGKK!:-
MAKE NO MISTAKE. THE TIDE OF THIS WAR HAS TURNED. THESE BEINGS, CREATED BY SHE-WHO-WILL-NOT-BE-NAMED, HOLD A POWER WE HAD NOT ANTICIPATED.
WE UNDERESTIMATED THEM. NOW WE ARE PAYING FOR THIS GRAVE MISTAKE. BUT FEAR NOT, MY FELLOW JUDGES.
THIS WAR IS NOT LOST.
THE TRIBUNAL HAS ARRIVED.

HOLY-- THAT DOESN'T LOOK GOOD!

FOCUS ON THE FIGHT BEFORE US, NEPHEW!

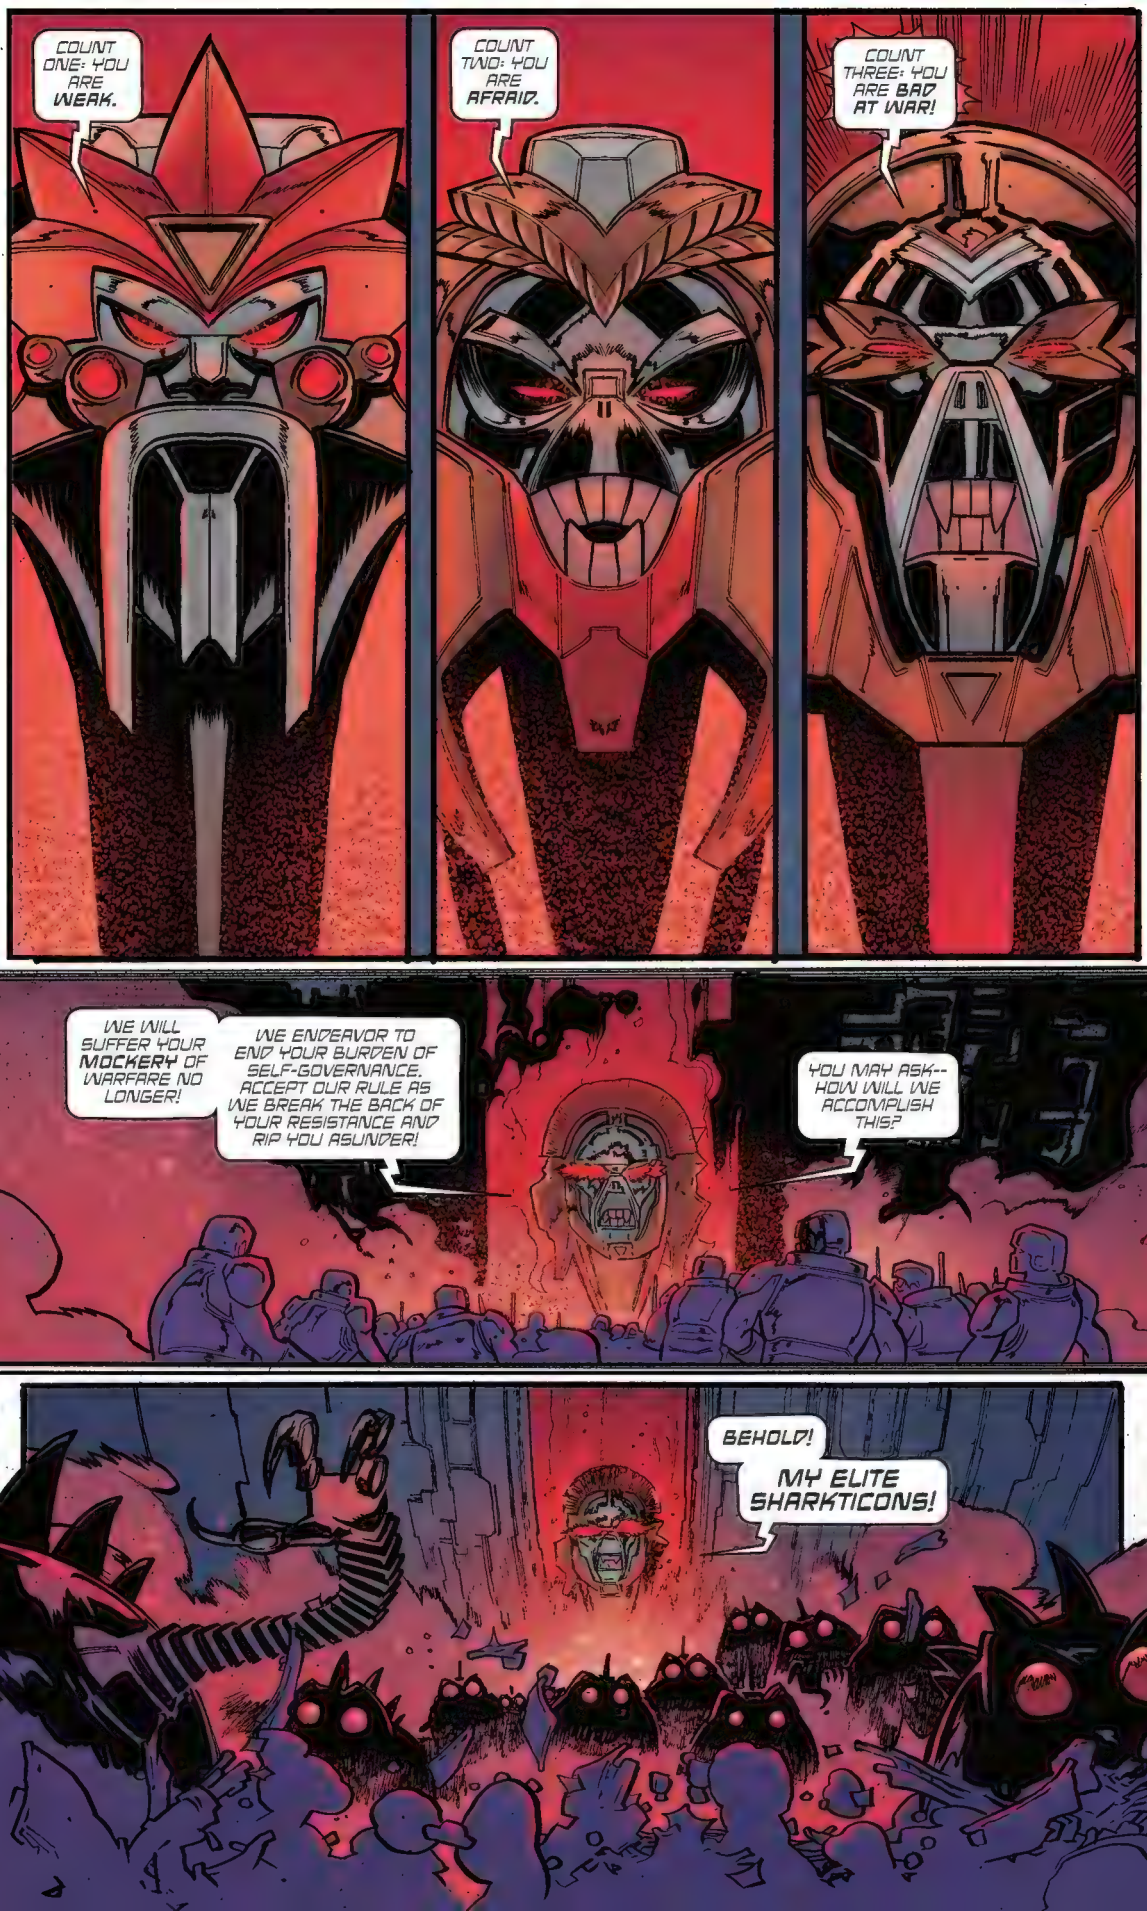
SKRA-KOOM

AND THINGS WERE GOING SO WELL ALL OF A SUDDEN...
QUIET.

TREMBLE BEFORE MY ARRIVAL!

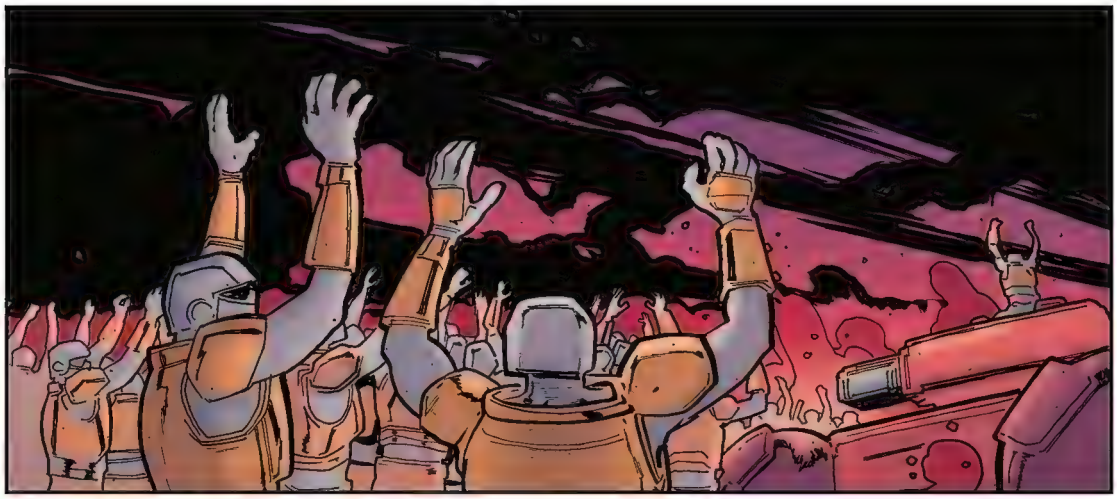
YOU NOW FACE THE TRIBUNAL! WAR JUDGE OF THE QUINTESSONS!

I COME TO PASS JUDGEMENT FOR THE WAR CRIMES YOU HAVE COMMITTED.

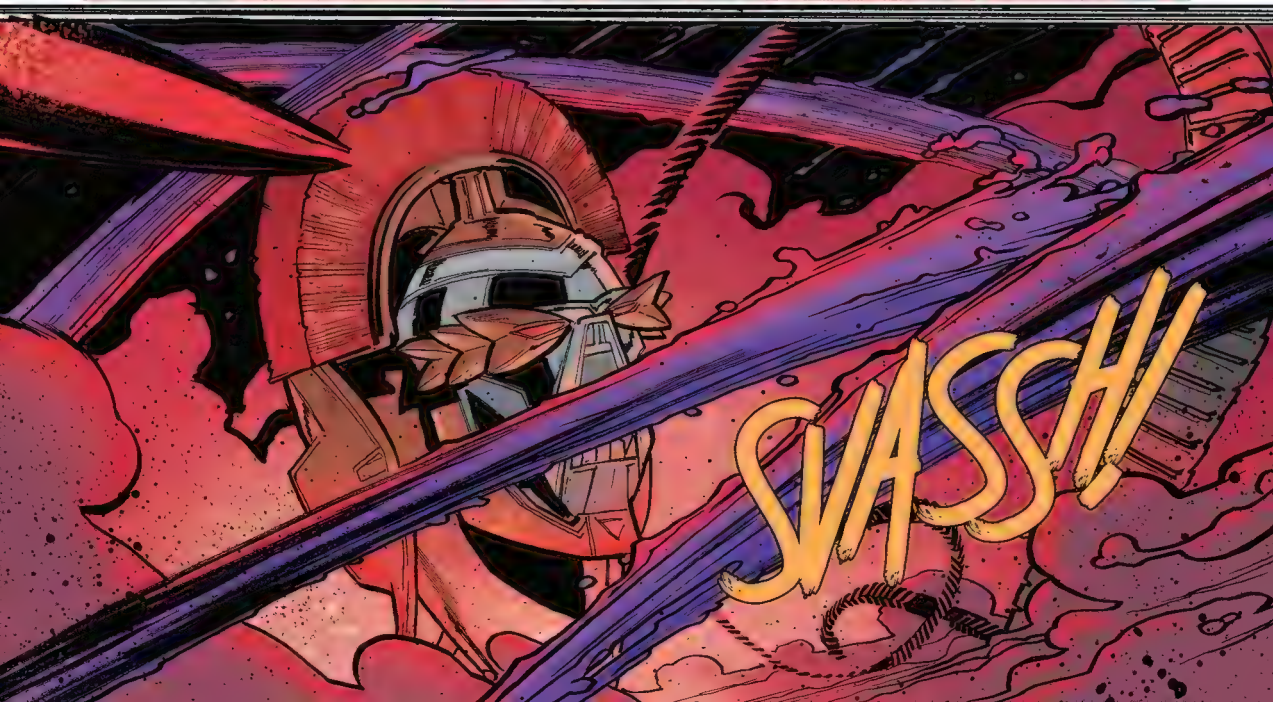


COUNT ONE: YOU ARE WEAK.
COUNT TWO: YOU ARE AFRAID.
COUNT THREE: YOU ARE BAD AT WAR!
WE WILL SUFFER YOUR MOCKERY OF WARFARE NO LONGER!
WE ENDEAVOR TO END YOUR BURDEN OF SELF-GOVERNANCE. ACCEPT OUR RULE AS WE BREAK THE BACK OF YOUR RESISTANCE AND RIP YOU ASUNDER!
YOU MAY ASK-- HOW WILL WE ACCOMPLISH THIS?
BEHOLD!
MY ELITE SHARKTICONS!

AS THE LIFE DRAINS FROM YOUR PITIFUL BROKEN BODIES, YOU MAY WONDER--WHY DOES THE TRIBUNAL STAND APART?!
MY JUDGEMENT IS SINGULAR. MY VISION--FOCUSED. WAR, DEATH, RAGE, DOUBT AND WISDOM-- I DO NOT REQUIRE FIVE FACES!
ONLY WAR!
WRAKK!
ONLY DEATH!
WRAMM!!
KRAGOOM!!
ONLY DOMINION!



AH. GOOD. YOU ARE WISER THAN WE HAVE BEEN LED TO BELIEVE.
I ACCEPT YOUR SURRENDER.

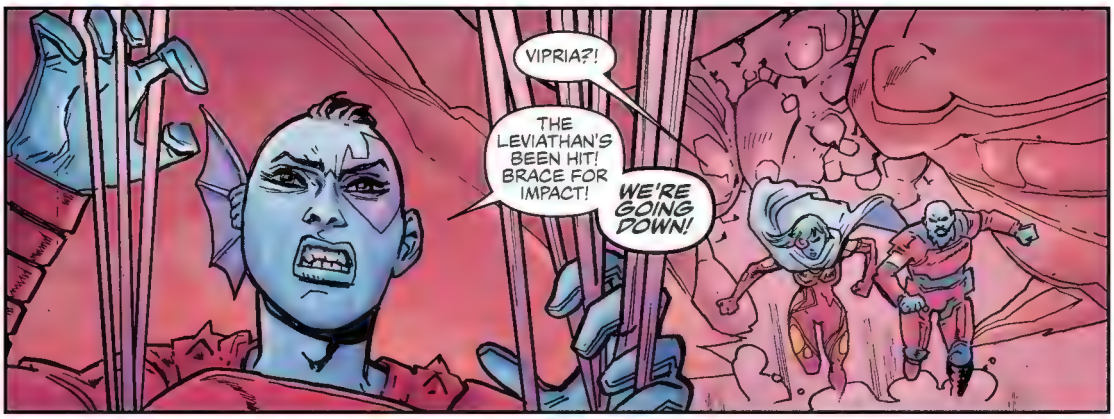


SVASSH!

YOU WERE OFFERED MERCY. YOU REFUSED. AN EXAMPLE WILL BE MADE. YOUR CITIES WILL BE FLATTENED.
YOUR FEEBLE CIVILIZATION WILL BE ERASED FROM THE SURFACE OF THIS WORLD.
NO.
MINISTER, THEIR FORCES ARE APPROACHING.
WHAT SHOULD WE DO?
MINISTER?
SHOULD WE RETREAT?
RETREAT? NO.
THERE IS NOWHERE FOR US TO GO.

WHETHER WE STAND ON THE PRECIPICE OF TRIUMPHANT GLORY OR EXCRUCIATING DEFEAT... OUR FATE IS SEALED.
WE HAVE BEEN GIVEN NO CHOICE. FOR THE SAKE OF THE AGORRIAN EMPIRE...
THIS IS WHERE WE MAKE OUR FINAL STAND.
ONWARD, MY SHARKTICONS! FORWARD!
THESE SOLDIERS ARE ALL DEAD--WE MUST FIND MORE SO THAT THEY, TOO, MAY TASTE MY JUDGEMENT.
I DO SO LOVE AN AUDIENCE...

WE'VE FINALLY CAUGHT UP TO THE QUINTESSON SHIPS, VIPRIA SENT ME TO--
GRAKULA? I HARDLY RECOGNIZE YOU.
A DISTANT COUSIN TO PYTHONA'S SECOND SKIN. SHE BROUGHT IT AS A SPARE WERE HERS TO MEET ITS END. I FIGURED SHE WOULDN'T MIND.
I FIND IT... REVEALING, BUT IN TIME I WILL KNOW IT AS I KNEW MY BELOVED ARMOR.
WHAT OF YOUR ARMOR?
IT, UM... IT STILL LIVES.
CHOM!
WHAT--?!



VIPRIA?!
THE LEVIATHAN'S BEEN HIT! BRACE FOR IMPACT!
WE'RE GOING DOWN!

NO!

TALK TO THE HANDROID

SEND YOUR QUESTIONS TO VOIDRIVALS@SKYBOUND.COM

Phew, I'm breathless from another extraordinary issue…welcome back to Talk to the Handroid! I'm your co-host, editor Ben Abernathy, and taking some time away from his insane schedule to answer some letters is Robert Kirkman!

Yeeeeeeeaaahhhh booooiiiieeeeee!!! I'm here! Before we dive into the letters, how excited are we for the TRIBUNAL?! How cool is that guy! Lorenzo De Felici came back to design this awesome new character and doesn't Andrei Bressan just draw the holy heck out of him? I love this guy. YOU ARE BAD AT WAR!

Let's not be bad at responding to letters.

Let's open up this here bag…

. . . . . .

Dear Handroid,

What a wild beginning to the Quintesson War! But first, I've been following the EU and Void Rivals since issue 1 when I heard the rumors of Skybound getting the rights to TF/Joe back then and I've been enjoying the line these last 2 years ever since! So much so that this is my first ever letter sent in to print in a comic book, so I wanted to make sure the Void Rivals that started it all received it! I just want to thank the entire Void Rivals Team real quick for their work these now almost 3 years and an extra special shout out to Rus Wooton, the underrated workhorse of the entire EU line. Mr. Wooton does such great work on the lettering across all of the books and helps bring together the EU's fantastic writers and artists' work as the beautiful bridge between mediums. Basically everyone else who's worked on these titles gets a specific shoutout so I figured you were due for one as well!

Rus is the best! All hail Rus! The greatest letterer in comics!

Anyways, I know the slow burn of Void Rivals isn't everyone's cup of Energon, but I've been thoroughly enjoying getting to meet this new corner of the Energon Universe and I'm always excited to learn new aspects of it every issue! The clash of classic and new is always exciting, and I can't wait to see what new twists and turns come next (For the record, I was betting Zerta Trion would turn out to be Beta and I'm so glad I wasn't crazy for seeing the signs). I'm really hoping we get to learn more about Darak's squad in the near future, I really like Garad and I was so devastated after 25, but I'm so glad Darak was the true hero I knew he was and saved his good buddy. (You already took Trailbreaker from me over in Transformers after he finally got to do cool things for the first time in forever, and I can only take so much pain back to back!) Also I'm hoping for Ultum to find a new friend, that poor boy has been through enough and he really needs someone he can count on. With Hot Rod and Springer gone for the time being, I can't wait to see what other Bots step in to fill their spots! I'm personally rooting for the day my guys Devcon and Kranix show up within the pages of Void Rivals! (I see the hints Mr. Kirkman, I know Devcon is bound to appear eventually...) Though I'm excited to see Wheelie and the Junkions contribute more to the story seeing as how the plots seem to be convalescing at the moment... Speaking of Wheelie, I know he's a contentious bot in the Transformers fandom, but I have all the faith Kirkman's got something fun and heartbreaking in store for him, even with the rhyming gimmick (lol). Hopefully we get to see him test his metal and earn some Sharkticon teeth for a cool necklace! I'm curious if we're ever gonna learn more about those bots Wheelie freed from the jail cells in the EU Special? I wonder what Wheelie's base on Quintessa is like? If it's not too much trouble can you at least reveal the names of the two Bots (The Red and Blue ones) that successfully escaped with him? I'd really appreciate it.

I'd love to…but they haven't been named yet! So, stay tuned.

Lastly, I've been loving your use of Transformers Alien Races (such as the ones from Seasons 2, 3, and the Movie) alongside the new species filling out the Energon Universe (everyone in the know appreciates the Prysmos/Visionaries shoutout BTW), and just using alien species from the various

incarnations of G1 Transformers alone could be enough (One day we'll venture to Nebulos!). Plus, bringing in the crew from Cobra-La has been a great way to tie in the usually terrestrial G.I. Joe cast to the greater universe as a whole... But, since you already have the licensing for the Joes, I was wondering if you think any of the alien species from the Joe's side of the toy aisle might make it into the Energon Universe down the line? You have so many options with the Intruders from Adventure Team, the Terrons from Super Joe, the Lunartix Empire from Star Brigade, and even Captain Zargon and his Space Pirate Zargonites from the original Action Man! Maybe even one day we'll see the Cobra Space Program? Whatever the answer, I'm excited to eventually see what lies beyond the Sacred Ring and even Cybertron, for there certainly seems to be something lurking in the deep darkness of space... (Oh whatever could Goliant be a weapon against, I just haven't the slightest idea...)

We'll be seeing some aliens from outside the Transformers side of the Energon Universe, very soon. Don't you worry!

I apologize for the lengthiness of my first letter but I had so much to say about and what has occurred in Void Rivals. All of these happenings just get my mind racing towards 'what happens next' in the next issue or volume or whatever. So once more, I wish to say thank you to the entire Void Rivals Team and I'm certainly looking forward to the end of the Quintesson War!

Sean K.

First printed letter--thank you for writing in and your enthusiastic support, Sean. You have so many great notes throughout it that I'm going to say I think you'll be really happy over the next few years as the series progresses. And everything you said about Rus is true and FAR MORE. He is very much the "glue" that anchors the Energon Universe and he's such a hard worker and a genuine great creative partner. It's an honor to be working with him!

Yes, thanks for writing in, Sean. Please keep checking in. I'm definitely curious how you'll be enjoying our NEXT story arc after this pesky Quintesson War wraps up.

. . . . . .

Issue #26 was a blast, I'm excited for the Quintesson War!! Zalilak punching Judge Naven in the face was brilliant, showing that the Quintessons are more bark than bite and although are very powerful, have far too much ego for their own good. The Sacred Ring shall be victorious! I also loved the cut between "Be ready." To "FALL BACK!". It was very cartoony and fitting for the coming TV show, that's my kind of gag. My final point of particular interest was Handroids line "Best. Friend." I adore his dialogue. I'm eagerly awaiting issue #27! May you all not be dismantled by a Sharkticon in the meantime.

- Harvey A

Thank you for taking the time to write in, Harvey, and Zalilak punching Judge Naven was an Energon Universe career highlight!

And there's definitely more where that came from!

. . . . . .

Hello Skybound team!

I'm a big fan of the Void Rivals series and the entire Energon Universe I really like how you weave classic and non-obvious Transformers characters into the story, such as Springer, Hot Rod, Skuxxoid, Slizardo, Lord Gycony, Junkions. Tt creates an amazing space opera atmosphere. As a fan, I have a question: are you considering the possibility of Transformers such as: Octane - his role as a smuggler and trader could fit perfectly into the Skuxxoid or space station stories. Runamuck & Runabout - These Decepticon sports cars haven't appeared very often as far as I remember, and it would be great to see them in a new interpretation. Thank you for your work and for giving a second life to so many wonderful characters! I look forward to each new release

Best regards,
Kermi

Thank for you writing in, Kermi…and you're going to get my standard answer on your questions: You'll have to keep reading.™

I'll go ahead and hint that you'll be seeing one of those characters very soon…somewhere.

. . . . . .

Please keep the letters rolling in…and join us next month where things get truly NUTS!

-Ben

Yes indeed. I love this book! So much fun stuff on the horizon! And just you wait until next issue! It's insane! I'll see you all back here then, same Void Rivals time, same Void Rivals channel! This channel! This letters column channel! It's a channel now!

-Robert

ENERGON EXPERIENCE

Things are looking bleak for the Sacred Ring once more. Like a life or death game of chess, each side has positioned themselves well against various moves...but with the arrival of the Tribunal and his forces, it could be checkmate. What hope do Agorria and Zertonia have left?

-Ben Abernathy, Executive Editor

CHARACTER SPOTLIGHT

WHO: Solila

A highly trained Zertonian warrior.

WHAT: Solila is a fierce and proud warrior for Zertonia and, at times, the First Chosen of Zerta. A leader in the war against the invading Quintessons, will even her might be enough to turn the tide?

ALL HAIL TRIBUNAL!

Just as the Agorrians were striking back and turning the tide against the Quintessons, the arrival of the powerful and ruthless the Tribunal could spell the end of the Sacred Ring. Forget about Goliant, the Tribunal might be the Quintesson's true super weapon!

CREATOR SPOTLIGHT

Q: We've gotten a lot of positive feedback on this arc's portrait covers by Ben Oliver so I thought I'd invite Ben to answer a question for us this month!

Ben: Who was your favorite VOID RIVALS character to illustrate and why?

A: Favorite cover to paint was Proximus, it was fun painting his half-exposed metal skull.
